## Ladies Dover League - Judy Martin

The Ladies Dover League is played on a Monday for about 12 weeks during the course of the outdoor season. It is the last ladies only game that we now have a chance to be involved in and although it is a competition, it's not as competitive as the men's league which you may have seen being played.

It comprises of two teams of 3 ladies, one team plays at home and one away. This means that we need at least 6 players to be able to take part and preferably 7 or 8 players, so that we can cope with illness or holidays and still take part.

The ladies are all friendly and supportive of new players. At the end of the season they have a presentation game when all the clubs come together and play a game followed by a meal, raffle and the presentation of the cup for the years best team.

This year although we did not take part in the league during the course of the season, because of our lack of players, as long time members of the league we were invited to the presentation day.

Shirley Harris, Shirley Taylor, Maureen Williams and myself were the team and we all had a thoroughly enjoyable afternoon and actually won the game.

If anyone is interested in joining us next year please let us know as it would really be a shame if we let another year go by without taking part, and I am sure that you would all enjoy the experience.

A working group has been formed to look at the Rules and Constitution of the club.
